[PROPOSED] ORDER GRANTING MOTION TO ENFORCE - 1

1 hereby grants relief as follows.

2			
2	The Court hereby reminds the MPWMD of the finding of the Court of Appeal of the Sixt		
3	Appellate District with regard to the limited function that the Board has with respect to this		
4	matter and that it only has the right to require an accounting of water that is used to assure that		
5	no Carmel River water is being used for that purpose.		
- 6	The Court hereby further reminds the MPWMD of the finding of this Court on May 11,		
7	2009 that no environmental review may be made regarding the use of Seaside Basin water and		
8	that commingling of water from two sources does not result in any environmental impacts.		
9			
10	NOW THEREFORE IT IS HEREBY ORDERED:		
11	1. MONTEREY PENINSULA WATER MANAGEMENT DISTRICT (MPWMD) is		
12	ordered to set aside its March 2009 denial of the SNG/Cal Am application for a water		
13	distribution permit at its hearing on August 16, 2010;		
14	2. MPWMD is ordered to render its final decision on the SNG/Cal Am application on		
15	August 16, 2010 based solely on the record before it at the close of the public hearing		
16	on July 19, 2010. No new evidence may be considered.		
17	3. MPWMD is ordered to make return to this Court on or before August 23, 2010		
18	reporting its final decision and findings on the SNG/Cal Am application for a water		
19	distribution permit.		
20	4. SNG's Ex Parte Application for an Order to Show Cause is denied as premature.		
21	5. The court declines to rule on SNG's request for an order approving the Front Loading		
22	Agreement, and removing the Front Loading Agreement from MPWMD review. It is		
23	inappropriate to address these issues at an Ex Parte hearing.		
24	6. Each party is to bear their own attorneys' fees and costs.

27	Judge of the Superior Court
