Subject: RE: Citizens Oversight Panel

Hello Rachel,

I would like to serve as an at-large member of the committee. My interest in the water situation on the peninsula has been constant since moving here in 2000. I previously served on the Water District's Citizen Panel about five years ago. As a career banker I have worked with many of the businesses and government organizations involved and impacted by our water situation. Also, as a banker I am very comfortable working with accounting details.

Thank you very much,

John Tilley
