I declare under penalty of perjury that the information on this permit, the accompanying application, and any attachments is correct to the best of my knowledge and belief. I have had an opportunity to review the Rules and Regulations of the MPWMD. The undersigned, as property owner or agent thereof, hereby authorizes MPWMD staff to make on-site inspections as deemed necessary to insure the accuracy of this application and compliance with the permit.

Furthermore, by signing this water permit, the undersigned acknowledges the District's right to assess and collect fees and impose fines for added water fixtures or changes in use occurring without amendment of the water permit. Water fixtures added without amendment of the water permit may be subject to a requirement of removal. The current titleholder of the property and/or his agent is responsible to insure completion of a final inspection by the MPWMD. Failure to arrange for a final inspection may result in a Notice of Violation recorded against the property, may subject a future property owner to fees and penalties, or may result in interruption of water service at the site.
