The amounts received from the first payment towards the reimbursement will be divided equally between the MRWPCA and MPWMD.
- b. Initial Reimbursement True-Up: Additional amounts received ~~under~~ after the initial \$8,219,742 reimbursement request shall be divided between MRWPCA and MPWMD in a manner that results in each Party’s total reimbursement becoming proportional to the actual percentage of Planning and Development Costs incurred by each Party.

- c. Subsequent Reimbursement: Subsequent reimbursement of Planning and Development Costs shall be divided between MRWPCA and MPWMD proportional to the actual percentage of Planning and Development Costs incurred by each Party.
