

WATER WASTE NOTIFICATION

You are receiving this Water Waste Notification because all Restaurants and Hotels on the Monterey Peninsula are required to comply with the State of California's Outdoor Emergency Water Waste Regulation Title 23, Section 863, 864 and 865 and the Monterey Peninsula Water Management District's Stage 1 Conservation Rules which prohibit the following:

- Use of hoses without shut-off nozzles
- Cleaning sidewalks and patios with potable water
- Landscape irrigation that causes run-off
- Non-Recirculating Water Features using potable water
- Watering any landscaping between 9am and 5pm unless by drip irrigation or hand watering with trigger nozzles
- Watering on days other than Wednesday and Saturday unless by professional vendors not exceeding two watering days per week

**FAILURE TO COMPLY WITH THESE REGULATIONS CAN
RESULT IN FINES OF UP TO \$500 PER VIOLATION**
