

Public Hearing Item 14:

Consider Second Reading and Adoption of Ordinance No. 174 - Suspending Authority to Accept Water Permit Applications for New Connections Based Upon Paralta Allocation, Pre-Paralta Allocation, Quail Meadows Subdivision Annexation, and Water West Reserve

# Summary Ordinance No. 174

- Suspends authority to accept Water Permit applications for new Cal-Am Connections subject to CDO and moratorium
- Applicable to Paralta Allocation, pre-Paralta Allocation, Water West Reserve, and Quail Meadows Subdivision
  - Reduces potential for construction with no water meter
  - Avoids expectations that a project will receive a water meter
- Replaces Urgency Ordinance No. 173 (August 2016)
- New Connections resulting from use of an Entitlement (e.g. Malpaso, Pebble Beach, Sand City) are not subject to this action

# Recommendation

- Action supports moratorium requirements set by the CPUC in D. 11-03-048, and moratorium requirements set by the SWRCB in its Orders WR 2009-0060 and WR 2016-0016
- Effective until the SWRCB CDO and CPUC moratorium issues are resolved or the District explicitly rescinds or repeals the ordinance
- This ordinance is not a “Project” under the California Environmental Quality Act (CEQA)
- Staff recommends the Board approve second reading and adopt Ordinance No. 174

Staff reports, ordinances and presentation materials can be found on the District's website at:
