Subject: Response to Cal-Am Notification #6 – Draft Request for Qualifications – MPWSP  
Desalination Conveyance Facilities

Dear Mr. Svindland:

At a meeting on May 20, 2015, the Governance Committee reviewed the Draft Request for Qualifications transmitted with Cal-Am Notification #6. After discussion and receipt of public comment, committee members Jeanne Byrne and Bill Kampe voted unanimously to support Cal-Am's issuance of the RFQ as presented.

On behalf of the Governance Committee members, I want to thank Cal-Am for its continued cooperation with local agencies to ensure that the public is involved with decision making on the Monterey Peninsula Water Supply Project.

Respectfully,

Robert S. Brower, Sr., Vice Chair  
Monterey Peninsula Water Supply Project  
Governance Committee
