*Item 15 -  
Presented at 11/15/10  
Board meeting*

Andrew M. Bell  
District Engineer  
Monterey Peninsula Water Management District  
5 Harris Court, Building G  
Monterey, CA 93940

Andy: I am the managing member of the Oyster Point Inn, LLC (owner of the Sterling Site, Sand City), and as such can respond to your request for use of a portion of our property for your proposed desal project. Our project is totally designed and on the verge of submittal for a Coastal Permit and there is no available area. But of even more import is that we've contracted with the City of Sand City for the required domestic water service and we will do nothing to compromise that relationship.

Regards,

John E. King
