EXHIBIT 2-C

The Accela Edge

- Enterprise Solution with product 'Platform' that is fully integrated allowing City's to have a one stop for all Software needs

- Renowned Customer Support – Including an online 'community' for training/enablement and Customer Success team to help you maximize your investment

- Accela has a one-of-a-kind Ad-Hoc Reporting tool – allowing staff to create their own reports without needing to involve IT

- Construct API – Accela has the integration back bone to integrate to all of the City's existing Solutions.
