MPWMD Legislative Track
Provided by JEA & Associates (updated Thursday, January 24, 2013)

AB 1 (Alejo D) Water quality: integrated plan: Salinas Valley.

Introduced: 12/3/2012

Status: 1/14/2013-Referred to Com. on E.S. & T.M.

Summary:

Would appropriate \$2,000,000 to the State Water Resources Control Board for use by the Greater Monterey County Regional Water Management Group (management group) to develop an integrated plan to address the drinking water and wastewater needs of disadvantaged communities in the Salinas Valley whose waters have been affected by waste discharges, thereby making an appropriation. The bill would require the management group to consult with specified entities and to submit to the Legislature by January 1, 2016, the plan developed by the group. This bill contains other related provisions.

AB 21 (Alejo D) Safe Drinking Water Small Community Grant Fund.

Introduced: 12/3/2012

Status: 1/14/2013-Referred to Com. on E.S. & T.M.

Summary:

Would authorize the Department of Public Health to assess a specified annual charge in connection with loans for water projects made pursuant to the Safe Drinking Water Small Community Grant Fund, which the bill would create in the State Treasury. The bill would require the proceeds generated from the imposition of the annual charge, along with other moneys, to be deposited in the grant fund. The bill would authorize the department to expend the money, upon appropriation of the Legislature, for grants for specified water projects that serve disadvantaged and severely disadvantaged communities.

AB 30 (Perea D) Water quality.

Introduced: 12/3/2012

Status: 1/14/2013-Referred to Com. on E.S. & T.M.

Summary:

Current law authorizes the State Water Resources Control Board, until 2014, to assess a specified annual charge in connection with any financial assistance made pursuant to the State Water Pollution Control Revolving Fund program in lieu of interest that otherwise would be charged and requires the proceeds generated from the imposition of the annual charge in lieu of interest to be deposited in the State Water Pollution Control Revolving Fund Small Community Grant Fund (grant fund), along with any interest earned upon the moneys in the grant fund. Current law provides that the annual charge in lieu of interest remain unchanged until 2014, at which time it will terminate and be replaced by an identical interest rate, and prohibits the deposit of more than \$50,000,000 into the grant fund. Current law authorizes the board to expend the moneys in the grant fund, upon appropriation by the Legislature, for grants for eligible projects under the revolving fund program that serve small communities, as defined. This bill would authorize the board to assess the charge in lieu of interest until 2019.

AB 69 (Perea D) Groundwater: Nitrate at Risk Area Fund.

Introduced: 1/10/2013

Status: 1/11/2013-From printer. May be heard in committee February 10.

Summary:

Would establish the Nitrate at Risk Area Fund, to be administered by the State Water Resources Control Board and, upon appropriation by the Legislature, moneys in the fund would be available for the purposes of developing and implementing sustainable and affordable solutions for disadvantaged communities in specified areas designated by the department, in conjunction with the board. This bill contains other current laws.

AB 72 (Holden D) Municipal water district: board of directors.

Introduced: 1/10/2013

Status: 1/18/2013-Referred to Com. on L. GOV.

Summary:

The Municipal Water District Law of 1911 provides for the formation of a municipal water district and the election of a board of directors of a municipal water district. Current law requires directors, except directors elected at the district formation election, to take office on the first Monday after January 1 succeeding their election. This bill would instead require the directors of a municipal water district, except directors elected at the district formation election, to take office on the first Friday in December succeeding their election.

AB 115 (Perea D) Safe Drinking Water State Revolving Fund.

Introduced: 1/14/2013

Status: 1/18/2013-Referred to Com. on E.S. & T.M.

Summary:

Would authorize the State Department of Public Health to fund projects, by grant, loan, or a combination of the two, where multiple water systems apply for funding as a single applicant for the purpose of consolidating water systems or extending services to households relying on private wells, as specified. The bill would authorize funding of a project to benefit a disadvantaged community that is not the applying agency. The bill, for purposes of considering eligibility for construction funding, would require a legal entity to exist that is not necessarily the applicant, but that has the authority to enter into contracts and incur debt on behalf of at least one of the communities to be served and has the right to operate at least one of the public water systems under a lease or memorandum of understanding with a term of at least 20 years. By authorizing the use of a continuously appropriated fund for new purposes, this bill would make an appropriation. This bill contains other current laws.

AB 118 (Committee on Environmental Safety and Toxic Materi) Safe Drinking Water State Revolving Fund.

Introduced: 1/14/2013

Status: 1/18/2013-Referred to Com. on E.S. & T.M.

Summary:

Would authorize the State Department of Public Health to adopt interim regulations for purposes of implementing provisions relating to the Safe Drinking Water State Revolving Fund. The bill would require an applicant for funding to demonstrate that it has the technical, managerial, and financial capacity to operate and maintain its water system for at least 20 years, as specified. The bill would authorize an applicant, subject to specified conditions, to receive up to the full cost of a project in the form of a loan. The bill would require that contracts entered into between the department and an applicant include certain additional information, including the time for the completion of the project, and authorize the contracts to include certain additional information, including an agreement by the supplier to complete, as part of the project, a rate study. This bill contains other related provisions and other current laws.

AB 119 (Committee on Environmental Safety and Toxic Materi) Water treatment devices.

Introduced: 1/14/2013

Status: 1/18/2013-Referred to Coms. on E.S. & T.M. and HEALTH.

Summary:

Would require each manufacturer that offers for sale in California a water treatment device for which it makes a health or safety claim, as defined, to submit specified information, including the manufacturer's contact information, product identification information, and the specific contaminant claimed to be removed or reduced by the device, to the department for purposes of inclusion on the department's Internet Web site. This bill would also require each manufacturer to pay a reasonable regulatory fee to pay for the cost of publishing information on the department's Internet Web site and for conducting enforcement actions. This bill contains other related provisions.

AB 142 (Perea D) Safe, Clean, and Reliable Drinking Water Supply Act of 2012.

Introduced: 1/17/2013

Status: 1/18/2013-From printer. May be heard in committee February 17.

Summary:

Current law creates the Safe, Clean, and Reliable Drinking Water Supply Act of 2012, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$11,140,000,000 pursuant to the State General Obligation Bond Law to finance a safe drinking water and water supply reliability program. Current law provides for the submission of the bond act to the voters at the

November 4, 2014, statewide general election. This bill would state the intent of the Legislature to enact legislation to amend the Safe, Clean, and Reliable Drinking Water Supply Act of 2012.

AB 145 (Perea D) State Water Resources Control Board: drinking water.

Introduced: 1/18/2013

Status: 1/22/2013-From printer. May be heard in committee February 21.

Summary:

Would transfer to the State Water Resources Control Board the various duties and responsibilities imposed on the State Department of Public Health by the California Safe Drinking Water Act. This bill contains other related provisions and other current laws.

SB 36 (Rubio D) Safe, Clean, and Reliable Drinking Water Supply Act of 2012.

Introduced: 12/4/2012

Status: 1/10/2013-Referred to Com. on RLS.

Summary:

Would declare the intent of the Legislature to amend the Safe, Clean, and Reliable Drinking Water Supply Act of 2012 for the purpose of reducing the amount of the \$11,140,000,000 bond.

SB 40 (Payley D) Safe, Clean, and Reliable Drinking Water Supply Act of 2012.

Introduced: 12/10/2012

Status: 1/10/2013-Referred to Com. on RLS.

Summary:

Would change the name of the act to the Safe, Clean, and Reliable Drinking Water Supply Act of 2014 and declare the intent of the Legislature to amend the act for the purpose of reducing and potentially refocusing the \$11,140,000,000 bond.

SB 42 (Wolk D) The California Clean, Secure Water Supply and Delta Recovery Act of 2014.

Introduced: 12/11/2012

Status: 1/10/2013-Referred to Com. on N.R. & W.

Summary:

Current law creates the Safe, Clean, and Reliable Drinking Water Supply Act of 2012, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$11,140,000,000 pursuant to the State General Obligation Bond Law to finance a safe drinking water and water supply reliability program. Current law provides for the submission of the bond act to the voters at the November 4, 2014, statewide general election. This bill would repeal these provisions. This bill contains other related provisions and other current laws.

SB 117 (Rubio D) Drinking water: State Water Resources Control Board.

Introduced: 1/17/2013

Status: 1/18/2013-From printer. May be acted upon on or after February 17.

Summary:

Would transfer the various duties and responsibilities imposed on the department by the California Safe Drinking Water Act to the State Water Resources Control Board and make conforming changes.
