

**ORDINANCE NO 82**

**AN ORDINANCE OF THE  
MONTEREY PENINSULA WATER MANAGEMENT DISTRICT  
REPEALING ORDINANCE NO. 78  
RELATING TO FINANCING THE NEW LOS PADRES WATER SUPPLY PROJECT**

**FINDINGS**

1. The Monterey Peninsula Water Management District is charged by the Monterey Peninsula Water Management District Law to integrate management of the water resources of the Monterey Peninsula.
2. On November 7, 1995 the voters rejected Measure C which sought approval for financing for the New Los Padres Water Supply Project.
3. That ordinance envisioned a new water use fee calculated at \$0.87 for each unit (748 gallons) of metered water use. A similar charge was to be made to each water distribution system of fifty (50) connections or more which derives its source of supply from the Monterey Peninsula Water Resource System.
4. Section Six of that ordinance stated that the ordinance would have no effect and be null and void if Measure C was not approved by the voters.
5. Ordinance No. 78 further specified that in the event the Measure C failed, the water use fee established under Ordinance No. 58, as modified, and in place on the date of consideration of Ordinance No. 78, shall remain in force and be unaffected.
6. The District has made no collections pursuant to Ordinance No. 78 as of this date.
