

## **RULE 200 - TIME-BARRED CLAIMS**

No provision of this Regulation shall be construed to revive or reinstate any cause of action that, on the effective date of the Regulation, is barred by failure to comply with any previously applicable statute, ordinance or regulation requiring the presentation of a claim prior to a suit for recovery of money or damages subject to the District, or by the failure to commence any action thereon within the period described by applicable statute of limitations.

*Rule added by Ordinance No. 130 (10/15/2007)*
