

**RULE 25 - CANCELLATION, EXPIRATION, SUSPENSION, ABANDONMENT AND
REVOCATION OF PERMITS**

- A. Water Distribution System Permits that are not completed shall expire two (2) years after the date of issuance or upon expiration of the building permit associated with the Water Distribution System application. The Board may authorize longer expiration dates when approving the Water Distribution System, and the General Manager may approve an extension for good cause.
- B. Water Permits for the use of fire hydrants for construction or other activities shall expire after sixty (60) days. Two ministerial extensions of 60 days each shall be allowed.
- C. Water Permits that are not completed shall expire two (2) years after the date of issuance or upon expiration of the building permit. A new Water Release Form will be required for all requests for renewal of a Water Permit. The District shall not issue a Water Permit for any Site on which a violation of District Rules has not been corrected and verified.
- D. The General Manager may Suspend processing a permit application or Suspend a permit issued pursuant to these Rules and Regulations whenever the General Manager finds any of the following:
 - 1. That any requirement or condition of the permit is not being met.
 - 2. That the property owner or permit Applicant has violated any provision of these Rules and Regulations.
 - 3. That the property owner or permit Applicant has misrepresented intentionally or negligently any material fact in the permit application or in any supporting documents.
- E. The District Board may Revoke any permit issued pursuant to these Rules and Regulations whenever it finds any of the following:
 - 1. That any requirement or condition of the permit is not being met.
 - 2. That the property owner or permit Applicant has violated any provision of these Rules and Regulations.
 - 3. That the property owner or permit Applicant has misrepresented intentionally or negligently any material fact in the permit application or in any supporting documents.
- F. Adjustment of Allocation or Water Entitlement for Expired, Suspended, Canceled, Abandoned or Revoked Permits
 - 1. Any permitted water Capacity which is not used because of an abandoned, expired, Revoked, Suspended, or canceled permit shall be returned to the

applicable Allocation or Water Entitlement.

2. Any current Water Use Credit shall revert to the originating Site and shall remain available for use pursuant to Rule 25.5.

G. Refunds shall be issued according to Rule 24-F, Capacity Fee Refunds.
