

June 4, 2003

**Monterey Peninsula  
Water Management District**

5 Harris Court, Bldg. G, P.O. Box 85, Monterey, CA 93942-0085  
(831) 658-5600, Fax (831) 644-9560, <http://www.mpwmd.dst.ca.us>

**NOTICE OF PUBLIC SCOPING  
MEETING**

**SEASIDE BASIN GROUND WATER  
MANAGEMENT ORDINANCES**

**Notice of Preparation of an  
Environmental Impact Report**

The Monterey Peninsula Water Management District (MPWMD) invites you to attend a public scoping meeting regarding the environmental review of interim ordinances associated with the proposed Seaside Basin Ground Water Management Plan. The MPWMD is proposing the adoption of ordinances that will allow:

- Immediate implementation (within 1 to 2 years) of actions to help protect the Seaside Basin from depletion and contamination from seawater intrusion until a comprehensive Seaside Basin Ground Water Management Plan is developed, adopted, and long-term management options are in place.

As part of this process the MPWMD is developing an environmental impact report (EIR) that will analyze impacts and alternatives to the proposed project (i.e., the interim ordinances). Copies of the NOP are available at the District office.

**WHEN: Monday, June 9, 2003, 6:00 to 7:00 p.m.**

**WHERE: Monterey Peninsula Water Management District  
5 Harris Court, Building G  
Monterey, CA 93940**

**Your Participation is Encouraged**

We hope all interested persons will be able to attend this public scoping meeting. District staff and consultants will be available during and after the meeting to answer questions or discuss specific items of interest. For those that are unable to attend but would like to be kept informed about Seaside Basin ground water management issues, please contact the District at (831) 658-5640.
