

## CERTIFICATION OF COMPLETION

This certificate is filled out by the project applicant to certify that the landscape project has been installed in accordance with MPWMD Water Efficient Landscape Requirements Rule 142.1

[www.mpwmd.net/rules/Rule142-1.pdf](http://www.mpwmd.net/rules/Rule142-1.pdf)

(a) **Prescriptive Compliance Option is limited to sections 1, 2, and 3.**

(b) **Performance Compliance Option shall include all six (6) sections.**

### **Section 1. Project Information**

#### **Application Information:**

|                                |                                  |                                     |                                                                  |
|--------------------------------|----------------------------------|-------------------------------------|------------------------------------------------------------------|
| Applicant Name:                |                                  |                                     |                                                                  |
| Property Owner (if different): |                                  |                                     |                                                                  |
| Applicant Address:             |                                  |                                     |                                                                  |
| City:                          |                                  |                                     |                                                                  |
| Email:                         |                                  |                                     |                                                                  |
| Phone Number:                  |                                  |                                     |                                                                  |
| Company:                       |                                  | Title:                              |                                                                  |
| Water Supply (Check One):      | Potable <input type="checkbox"/> | / Recycled <input type="checkbox"/> | / Well <input type="checkbox"/> / Other <input type="checkbox"/> |

#### **Project Address and Location:**

|                 |      |
|-----------------|------|
| Street Address: |      |
| City:           | Zip: |
| Parcel Number:  |      |

Date the Landscape Documentation Package was submitted to local agency: \_\_\_\_\_

Date the Landscape Water Permit was issued by MPWMD: \_\_\_\_\_

### **Section 2. Certification of Installation According to the Landscape Documentation Package**

Certification by the designer of record that the landscape project has been installed per the approved Landscape Documentation Package per Rule 142.1-G and the applicable documents:

- (a) Where there have been significant changes made in the field during construction, these As-Built Drawings or Record Drawings shall be included.
- (b) A diagram of the irrigation plan showing Hydrazones shall be kept with the Automatic Irrigation Controller for subsequent management processes.

**“I/we certify that based upon periodic site observations, the work has been completed in accordance with MPWMD Water Efficient Landscape Requirements and that the landscape planting and irrigation installation conform with the criteria and specifications of the approved landscape Documentation Package.”**

|                                |       |
|--------------------------------|-------|
| Designer of Record Signature:  | Date: |
| Designer of Record Print Name: |       |

### **Section 3. Irrigation Scheduling Parameter**

Attach irrigation scheduling parameter used to set the Automatic Irrigation Controller per MPWMD Rule 142.1-I-6

**Section 4. Landscape and Irrigation Maintenance Schedule**

Attach landscape and irrigation maintenance schedule per MPWMD Rule 142.1-I-7

**Section 5. Soil Management Report**

Attach Soil Management Report, if not previously submitted with the Landscape Documentation Package per MPWMD Rule 142.1-I-1.

**Section 6. Irrigation Audit Report**

Attach Irrigation Audit report per MPWMD Rule 142.1-I-8.

**Project Applicant Signature:**

**“I/we certify that I/we have received copies of all the documents within the Certificate of Completion Package and that it is our responsibility to see that the project is maintained in accordance with the Landscape and Irrigation Maintenance Schedule.”**

|                       |       |
|-----------------------|-------|
| Applicant Signature:  | Date: |
| Applicant Print Name: |       |
