Dear Dave and Arlene,

For item 14 on the agenda, I would like to suggest the following edits to improve readability and to be sure MPWMD's position is clearly presented.

On page 1 in paragraph 3 of the draft letter:

insert "factually incorrect" before the word claims.

On page 2 in paragraph 3 of the draft letter, change sentence 3 to read: Cal Am made other misstatements in its letter of 10/21/20. Here are the facts: [rest as written]

Thank you for all your work to help the SWRCB better understand the facts.

Sincerely,  
Marli Melton
