

Consider Adoption of Resolution 2023-03 Amending Rule 141, Table XIV-1, Rebate Amounts, to Add a Rebate for Smart Toilet Leak Detectors in Visitor Serving Facilities and Master Metered Multi-Family Residential Sites

Smart toilet leak detectors are devices attached to a toilet that are connected into a smart network to notify maintenance personnel via text or computer alert in the event of a leak in a toilet.

Smart Toilet Leak Detector Rebate

- Rebate for installation of 20 or more toilet leak detector units in Visitor Serving Commercial facilities and Master Metered apartments
 - 25 percent of the cost of the individual monitoring device
 - Maximum rebate per Site capped at \$15,000
- The Water Demand Committee and the Finance and Administration Committee unanimously recommended adding this rebate for Non-Residential smart toilet leak detectors to complement the previously approved rebate for Smart Flowmeters

Recommendation

- The Board should approve Resolution No. 2023-03 to add a rebate for 25 percent of the cost of 20 or more smart toilet leak detector units installed in a Visitor Serving Facility or a Master Metered Multi-Family Residential Site to a maximum rebate of \$15,000
- Adoption of this Resolution will amend Table XIV-1
- Staff will work with Cal-Am to notify customers

Staff reports, ordinances and presentation materials can be found on the District's website at:
