

Addendum No.1

MONTEREY PENINSULA WATER MANAGEMENT DISTRICT

ADDENDUM NO. 1

TO

REQUEST FOR QUOTATIONS

FOR LANDSCAPE MAINTENANCE SERVICES

GENERAL

This Addendum, dated April 10, 2023, includes 2 pages.

Scope

The following revisions are made to the Request for Proposals for the subject project.

Maintenance Tasks

PLEASE **INSERT**:

Maintenance Tasks:

Quarterly services may be provided on a monthly basis if that is the recommendation of the Proposer. The Proposer shall clearly state on the Quotation Form whether the Quotation is for quarterly or monthly services.

1. Quarterly Services Task 1:

- d. The area outside of the fence toward the street, shown in orange in the figure, may be weed whacked. The decomposed granite area, shown in blue in the figure, weeds shall be hand-pulled.

2. Annual Services Task 2:

- d. Plants to be removed are only on the bottom of the basin; plants on the sides of the basins must remain in-tact for basin wall stability. Only bushes and trees need to be removed; grasses help drainage and must remain in-tact. No weed whacking is allowed in the basin to maintain infiltration.

QUESTIONS

Can the work be bid as ancillary work instead of contract work? No.

ADDITIONAL INFORMATION

Proposals are due Wednesday April 12 before 2:00 p.m.
