Subject: "PUBLIC COMMENT ITEM #16"

Dear MPWMD Board of Directors:

I oppose the policy of smart water meters for the Monterey district, and I oppose any charge for opting out. I oppose because I do not want the proliferation of small cell towers in neighborhoods due to the health hazards of constant transmissions. The cost is also prohibitive. The cost will also be an additional liability when we buy Cal-Am.

Thank you.

Sincerely,

Michele Altman
