

General Manager's Report

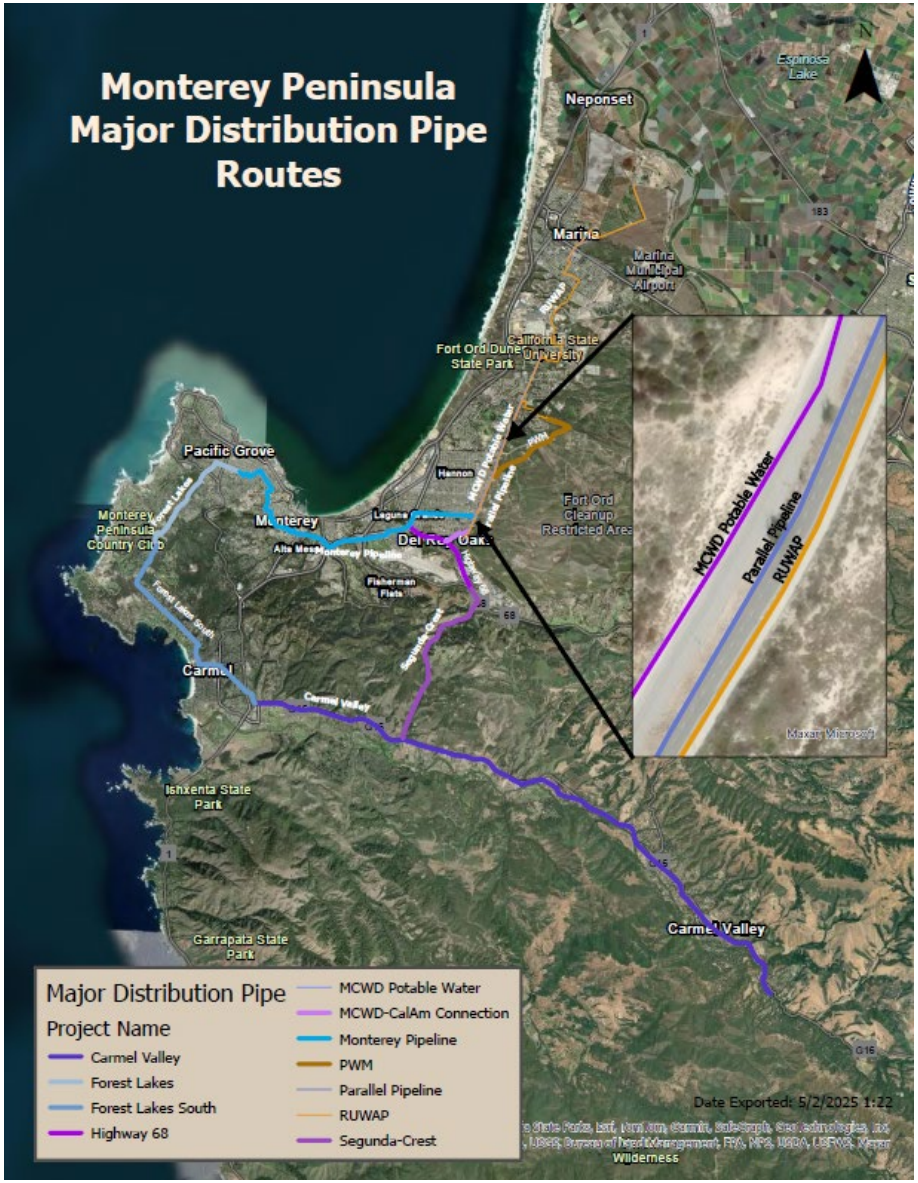

Board Meeting
November 16, 2026

David J. Stoldt
General Manager

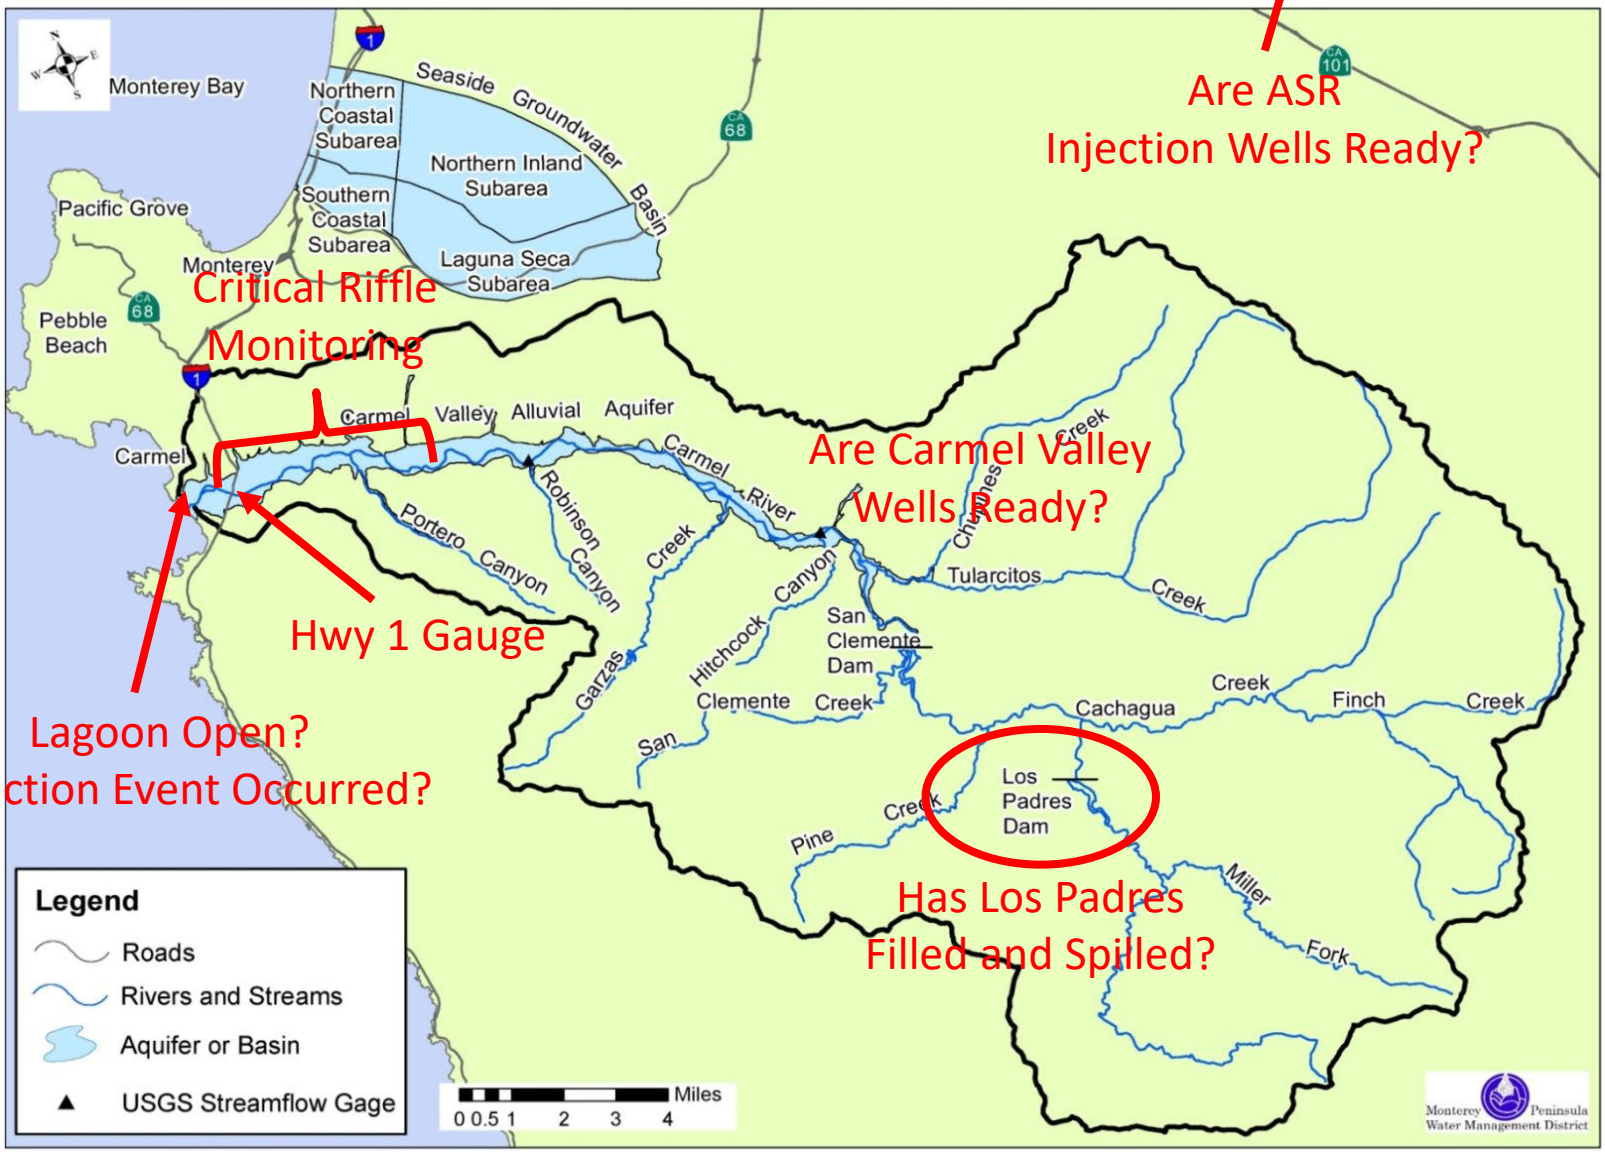

Preparing for ASR Season

Preparing for ASR: 6 Key Variables

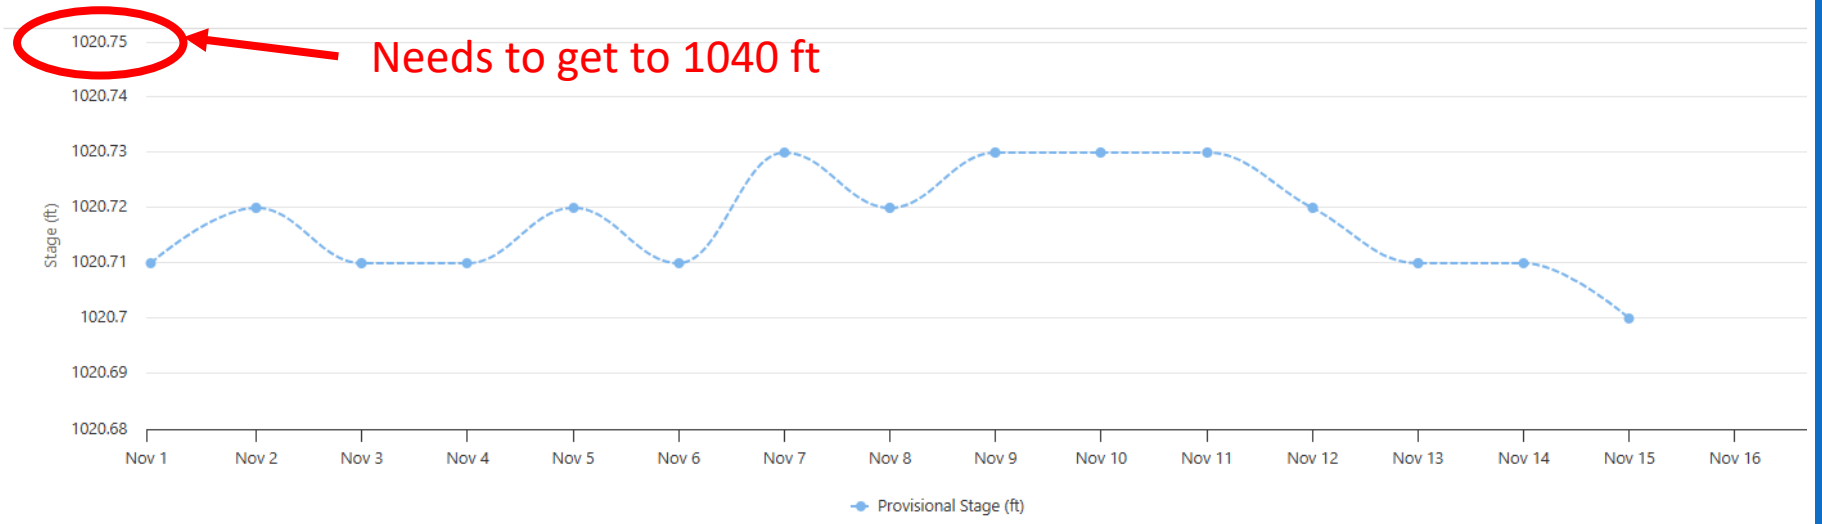

Los Padres Has not Filled or Spilled

Los Padres Reservoir (Reservoir Sensor LP)

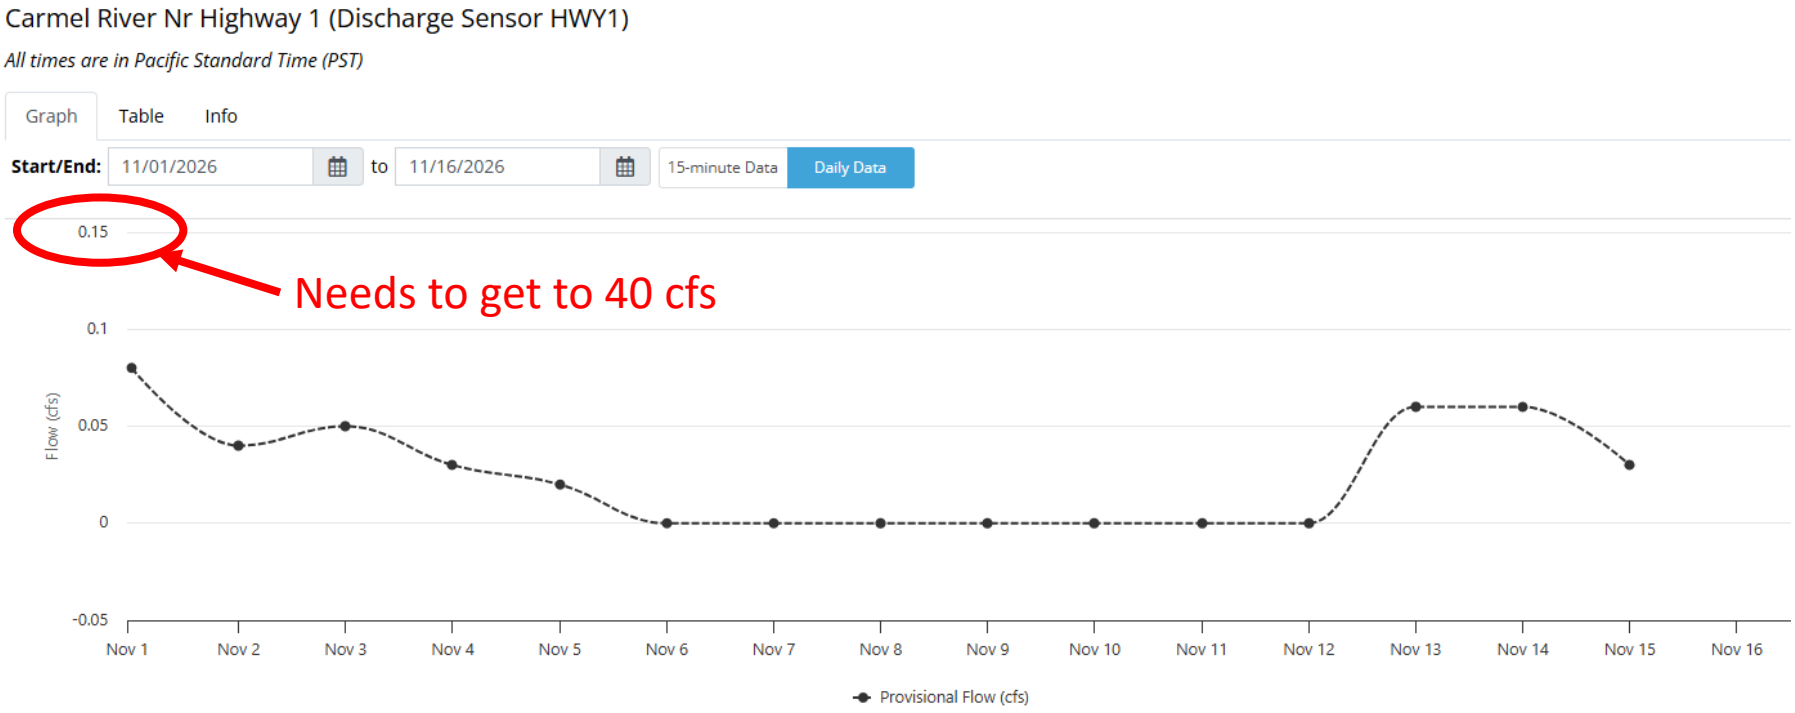

All times are in Pacific Standard Time (PST)

Graph | Table | Info

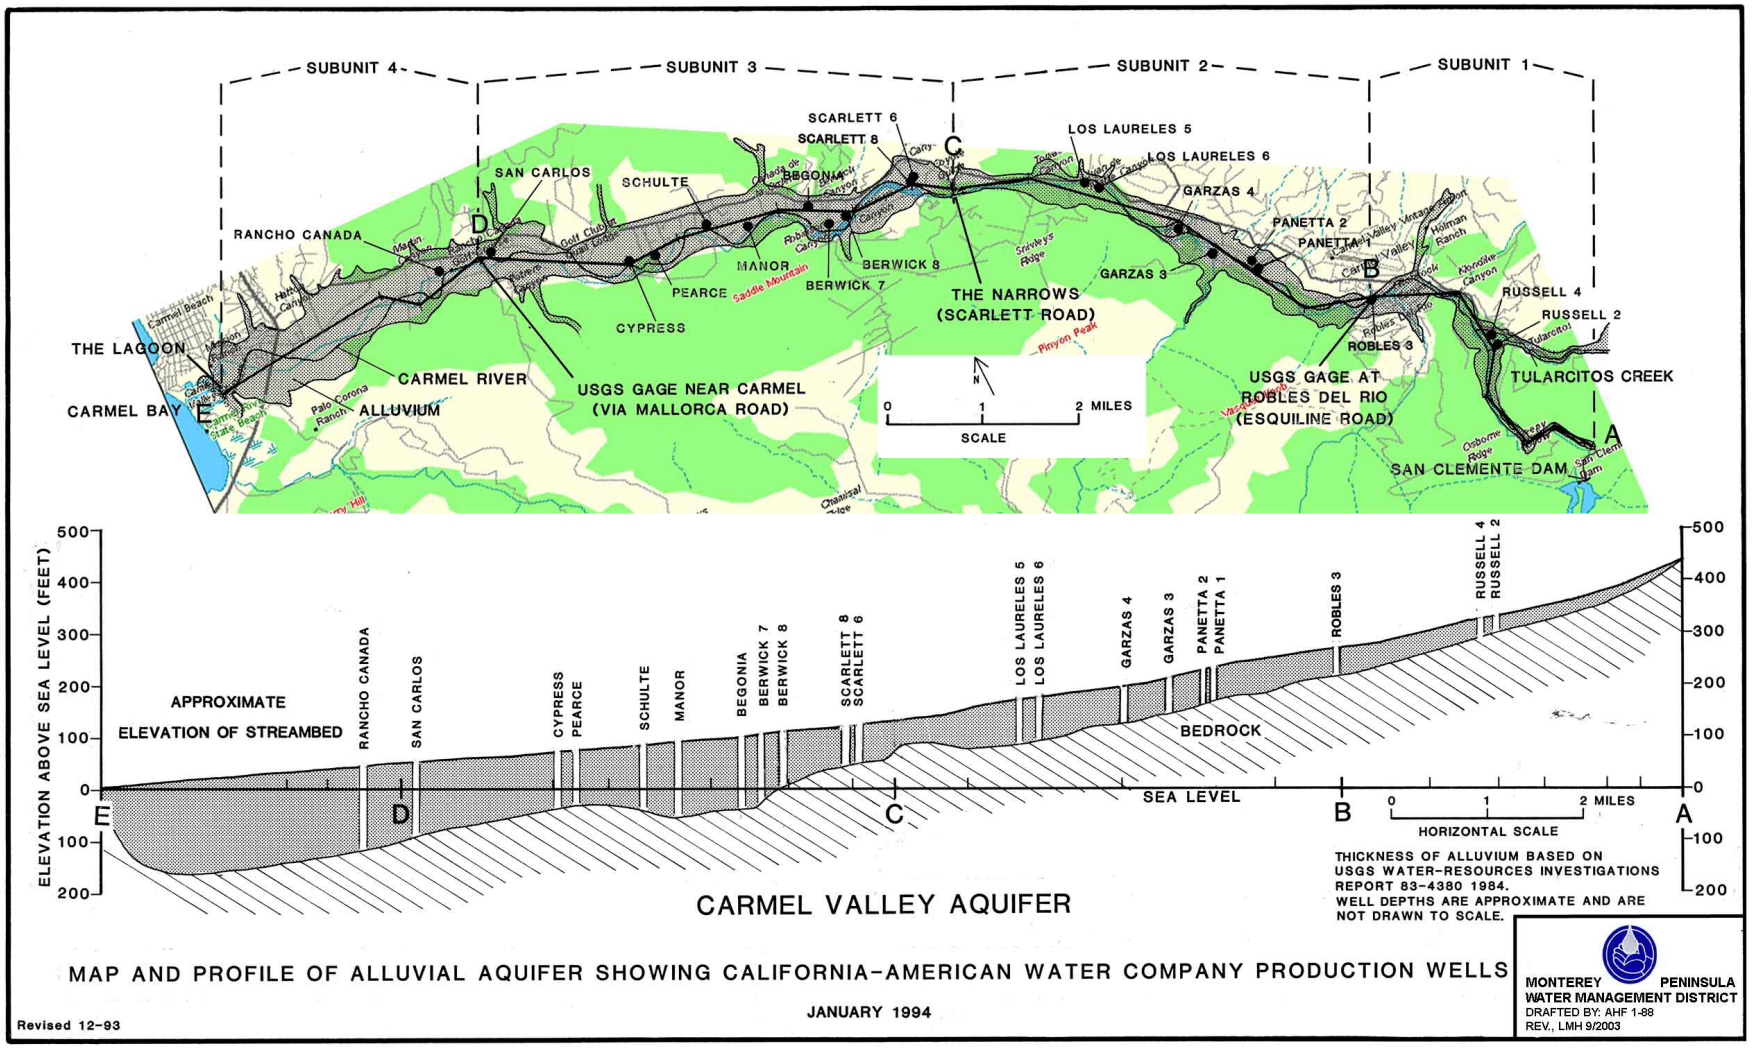

Start/End: 11/01/2026 to 11/16/2026 | 15-minute Data | Daily Data

Highway 1 Flow not Even Close

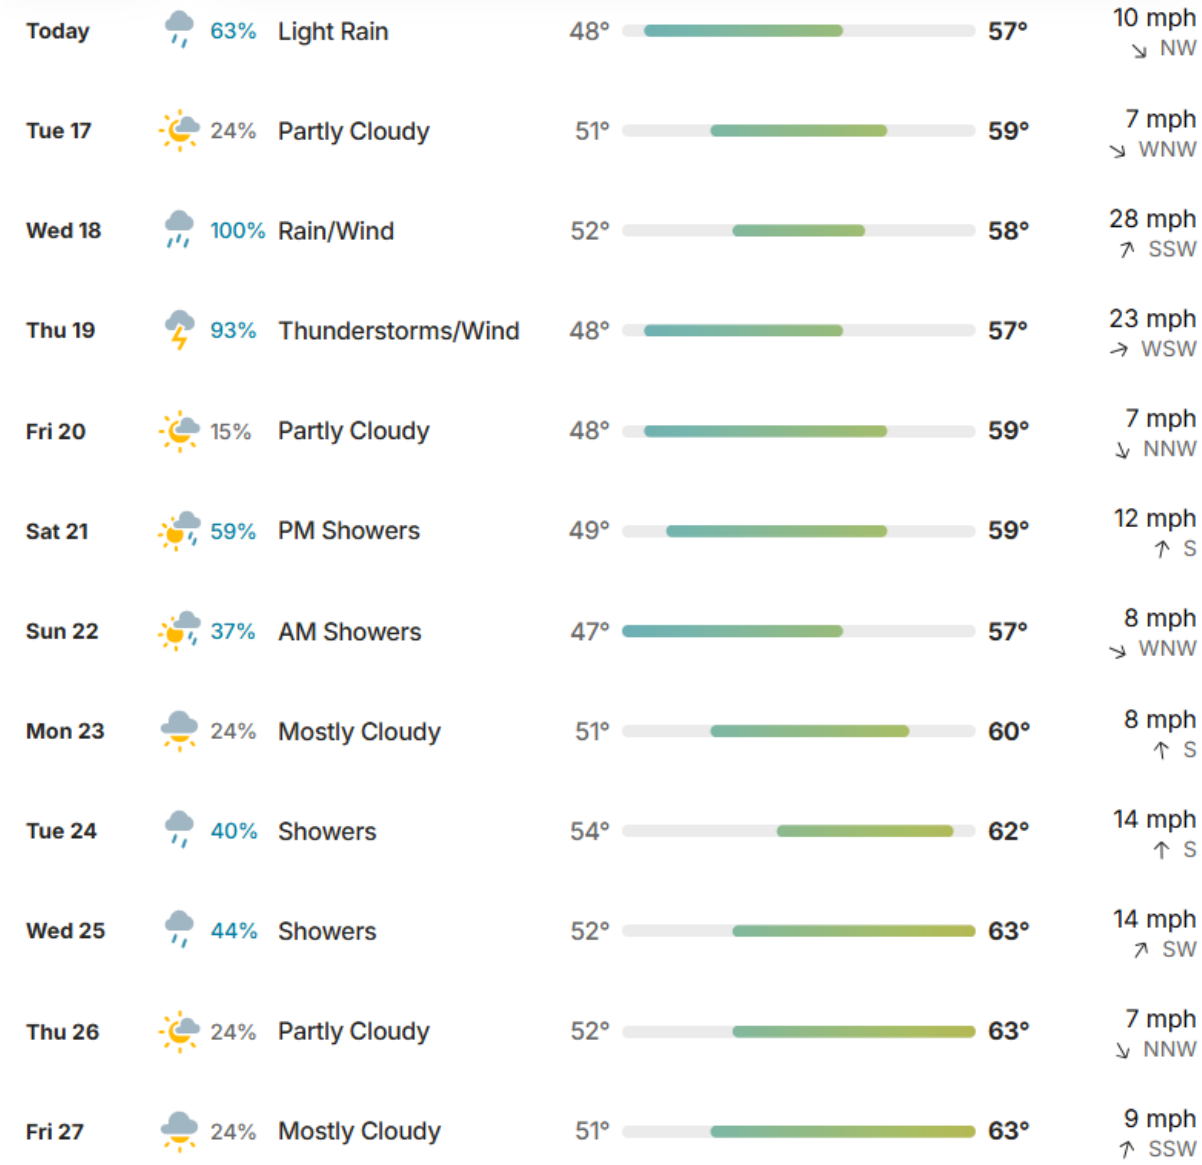

All Carmel Valley Wells Expected to be Ready

Other Variables

- Only ASR 1 & 2 are Available for Injection (limits top end)
- Lagoon Remains Closed; No “Attraction Event” Yet
- Not Yet a Need to Monitor Critical Riffles, but Looks Good

Hope is Not a Plan …

… But it’s a Good Start
