2021-22 State Budget Water Resilience Package

The Budget commits approximately \$5.1 billion over four years to the state's water resilience and drought preparedness and response

[Budget Summary \(ca.gov\)](#)

Budget Allocation Summary

- *Presented the state budget allocation summary*
- Source is Round Table of Regions
- Will email to RWMG and upload with meeting minutes
- Filename 1_Water Package 9-4 Final.pdf

California Drought Funding Webinar

- *Presented a streamlined version of a state and federal funding webinar. Contains information on 10/21 and 10/28 funding webinars.*
- Source is Round Table of Regions
- Notes in blue
- Will email to RWMG and upload with meeting minutes
- File name “2_CA Drought Funding Webinar PPT - DWR & SWRCB - 09.16.2021 streamlined”. Full presentation will be on the website.

Disadvantaged Communities

- Many grants geared toward DACs in part or in whole
- New DWR grants may append existing DAC grant
- New maps [DAC Mapping Tool \(ca.gov\)](#). *New areas east of Carmel Valley and at the western side of mid-valley*
- Will email and upload maps

Other Grants

- Technical Assistance and Grant Opportunities for Flood Risk Reduction Benefitting Underrepresented Communities in California – Webinar in August [Webinar: Technical Assistance and Grant Opportunities for Flood Risk Reduction Benefitting Underrepresented Communities in California — North Coast Resource Partnership](#), contact DWR (email given in link) for more information.
- Coastal Commission Whale Tale Grant for education and outreach [Whale Tail Grants \(ca.gov\)](#)

IRWM Implementation Round 2 Grant

- \$1,488,961
- Final PSP should be released after the Drought Relief PSP
- Compliance Obligation language removed – *water supply projects now allowed to apply!*
- Review current projects, will be distributed by email and website
- Call for projects
- TAC *Patrick Treanor, Erik Lundquist. MH to send email to RWMG asking if anyone not in attendance is interested in participating. MH will send Doodle for first meeting.*
- *RWMG approve project list and* amend IRWMP with new projects

State Water Atlas

- Not available to public unless we publish, review in meeting.
- Other regions can be viewed at [Water Atlas \(arcgis.com\)](https://arcgis.com)
- Geared ours towards funding opportunities.
- Vote to publish. *There were no objections, MH will email link when published.*
- *MH will* call for member projects in email.

Region Advocacy

- On Roundtable of Regions website [Home | RoundTableofRegions](#).
- Good for our website. *RWMMG did not want to model our homepage after the template; more graphics and less words, check CAWD website.*
- Call for member projects that have been implemented since 2008 and projects to be implemented.
- Review our proposed Advocacy. *Leveraged funding we could use match, which is low due to disallowing water supply projects and high DAC participation. Agreed to use DAC funds.*
- Vote to publish. *There were no objections.*
