

**MONTEREY PENINSULA WATER MANAGEMENT DISTRICT
NOTICE INVITING BIDS
SLEEPY HOLLOW STEELHEAD REARING FACILITY
QUARANTINE TANKS REPLACEMENT**

NOTICE IS HEREBY GIVEN, that bids will be received by the Board of Directors, Monterey Peninsula Water Management District, at the District office, 5 Harris Court, Bldg. G, Monterey CA 93940 until **3 p.m. on March 11, 2022**, at which time they shall be publicly opened and read. Mail-in bids may also be sent to the P. O. Box 85, Monterey, California, 93942-0085. Electronic bids may be submitted through the District website (see instructions below).

Work is as follows:

- Demolition of five 8-foot diameter fiberglass reinforced plastic tanks, chillers, and associated plumbing fixtures, electrical panels, and air lines connected to aforesaid tanks;
- Excavation, compaction, importation of structural fill and pouring five concrete slabs for five new owner-furnished 8-foot diameter by 3-foot-deep fiberglass reinforced plastic insulated tanks;
- Furnish and install five new pumps and air-cooled water chiller units rated at 21,000 Btuh
- Reconnect all plumbing fixtures, electrical, and air to quarantine tanks
- Furnish pump, relocate and connect existing large chiller unit
- Restore construction site to pre-project condition
- Replace existing load center with new NEMA outdoor rated panel

The Engineer's estimate for this work is \$100,000. All work is located at the MPWMD Sleepy Hollow Steelhead Rearing Facility (Facility), 45 San Clemente Drive in Carmel Valley CA 93924. **There is a mandatory site visit on February 25th**. Meet at 10 a.m. at the Carmel Valley Historical Society parking lot at 77 W. Carmel Valley Road, Carmel Valley, CA 93924. The group will proceed through gated private property to the Facility. Failure to make a site visit or prove familiarity with existing quarantine tank operations at the Facility may be grounds to disqualify a bid.

This work shall be done in accordance with the Specifications therefore adopted, to which special reference is hereby made. The Contractor shall furnish all labor, supplies, equipment, and services required to perform the work, except as expressly stated in the Construction Specifications. Payment of prevailing wages is required.

Each bid shall be accompanied by U.S. currency, certified check, cashiers check, or Contractor's bond in an amount not less than ten percent (10%) of the bid amount, and shall be made payable to the Monterey Peninsula Water Management District. The District reserves the right to reject any and all bids or to waive any irregularities or informalities in any bid or in the bidding. No bidder shall withdraw his or her bid for a period of 180 calendar days after the date set by the District for the opening thereof.

Upon authorization of a contract by the District Board of Directors, a notice of award will be sent to the successful bidder. The successful bidder will then have five (5) calendar days to return a signed contract agreement, together with faithful performance bonds and any other required documentation. The successful bidder must furnish proof of general liability insurance in the amount of \$5,000,000.

Work must begin within five (5) calendar days from issuance of the notice to proceed by the District. The work must be completed by May 1, 2022. If the bidder fails or refuses to enter into a contract to do the work, then the bid guaranty accompanying the bid shall be paid to the District as liquidated damages (General Provisions Sect. 2.03).

Bid documents, Plans and Specifications may be secured at no charge from the Monterey Peninsula Water Management District, 5 Harris Court, Bldg. G Street, P. O. Box 85, Monterey, California 93942-0085 or may be downloaded from the District's web page at

<http://www.mpwmd.net/who-we-are/project-bids-rfps/>

Electronic bids may be submitted by downloading the electronic bid form from the MPWMD site and following directions on that form.

For further information, please contact the Project Manager, Larry Hampson, larry@mpwmd.net or at 831-238-2543.
