

REMINDER

The State has issued an Executive Order calling for 15% voluntary conservation. Please help us conserve our precious water resources this fall while we wait for the winter rains.

The following 'water wasters' will cost you money and could result in a fine:

- Not repairing a leak, break, or malfunction
- Irrigating, other than on Wednesdays and Saturdays before 9 a.m. or after 5 p.m.
- Letting water needlessly run off your property
- Washing hard outdoor surfaces, unless health or safety are at risk
- Hand watering or car washing without a quick acting automatic shut off nozzle
- Irrigating while it's raining and for 48 hours after

Businesses must be water efficient, including:

- Having water efficient plumbing fixtures and appliances
- Not serving water to any customer unless requested (restaurants, hotel, café, cafeteria or other public place where food is sold or served)
- Hotels must promote a towel and linen reuse program
- Car washes must recycle at least 50-60% of their water use

If you see water waste, please let us know! Report water waste to [831-658-5601](tel:831-658-5601) or on our website at MPWMD.net (look for the red button at the top of the webpage).
