I, _____, the **buyer** / **seller** / **owner** / **authorized agent** (circle one) of the real property (Site) located at the above address, certify that I have **purchased** / **picked up from the District** / **flow tested** (circle all that apply) any or all of the items listed below for conservation standards.

Submit form and supporting documentation to conserve@mpwmd.net

Please **check all the boxes** to certify that all fixtures meet water efficiency standards.

- Toilets, 1.28 gallons per flush (Receipts are required; please include them.)
- Showerheads, 2.0 gallons per minute
- Kitchen, Utility, Bar sink faucet aerators, 1.8 gallons per minute
- Washbasin faucet aerators, 1.2 gallons per minute
- Rain sensors on Automatic Irrigation Systems (check appropriate box):
 - The property does not have an Automatic Irrigation System.
 - A Rain Sensor has been installed on the Automatic Irrigation System.
(A receipt and a photo of the installation site are required; please include them.)

By signing this document, I agree that the Site identified above is in compliance with the Monterey Peninsula Water Management District's (MPWMD) Water Conservation Regulation XIV (**Rules 141-153**) pertaining to the installation and maintenance of mandatory plumbing fixtures and conservation standards. **MPWMD may require an inspection for verification.**

I understand and agree that replacement of devices with a higher flow version is a violation of MPWMD Rules and shall subject the Site to immediate review and Non-Compliance. If the property is deemed Non-Compliant with MPWMD rules, a Notice of Non-Compliance shall be recorded on the property and fees shall be required to document compliance and remove the deed restriction.
